EN LA HISTORIA
GRUPO SAN MARINO nace en la década de los 60 de la mano de **Pedro Marín Pérez y de sus hijos Pedro, Raimundo y José Marín Núñez.** La **iniciativa** de los 4, así como el imponente **esfuerzo** dedicado, hicieron crecer al Grupo rápidamente hasta convertirse en un referente del sector. Una empresa con un marcado **carácter familiar** y con un fuerte compromiso con sus distintos equipos de trabajadores a lo largo de su historia y que otorga a sus productos un gran nivel de **calidad**, resultado de sus más de 45 años de **experiencia.**

EN LA ACTUALIDAD
Fruto del esfuerzo y la experiencia, GRUPO SAN MARINO se consolida como un **referente** a nivel internacional en el sector de la piedra natural por distintos aspectos:

-Se desarrolla sobre la base de un amplio número de **canteras propias**, un aspecto sumamente importante que ofrece un **amplio catálogo** y la **seguridad** de un material de la más alta calidad.
-Gracias también a sus 5 centros de producción, presenta una **capacidad productiva** de primera categoría, tanto a nivel de cantidad (2.500.000 m2 anuales) como de acabados.
-Desde la extracción hasta la llegada del producto a obra, cuenta con una red de **equipo técnico** altamente **especializado** que aporta un importante **apoyo** a todo el desarrollo del proceso, destacando:
oEquipo Técnico de Recursos Mineros
oEquipo de Producción
oEquipo de Logística
oEquipo Comercial

-A través de su historia, y hasta la actualidad, ha conseguido consolidarse a lo largo y ancho del mundo gracias a una **acción global** constante. Como resultado de ello cuenta con una innumerable cantidad de **proyectos** de primer nivel suministrados en los 5 continentes.

TODAY
Fruit of a great effort and experience, GRUPO SAN MARINO has become an international **reference** in the field of natural stone and has distinguished itself in several features:
- A large variety of **own quarries** is been the company's fundamental policy which has allowed the group to offer our customers a wide **array of products** as well as the **assurance** of quality and supply.
- The company holds 5 production plants sized by a first-class **production capacity**, both in terms of quantity (2,500,000 m2 per year), and selection of finishes and textures.
- From the extraction process to the arrival of the product to the projects, the company has created highly **specialized technical teams** that provide significant **support** to the entire development process, including:
o Experienced technical mineral Resources team
o Highly specialized Production Team
o Logistics Team
o Commercial team

- Through its history, and until now, GRUPO SAN MARINO has managed to build a brand throughout the world thanks to a constant **global commitment**. As a result, the group has managed to work for countless upscale **projects** on the 5 continents.
